

INTERNSHIP OFFER LETTER

Date: 15-Jul-2026

To:

Mr. Usman Ali Shahid

Dear Usman Ali,

We are pleased to offer you an internship position as an **Cloud/DevOps Engineer** at DigitalSoft Pvt. Ltd. for a period of two months, from 15-Jul-2026 to 15-Sep-2026.

During your internship, you will have the opportunity to work on professional projects involving Cloud Computing, DevOps, CI/CD pipelines, cloud infrastructure, containerization, deployment automation, monitoring, and system administration. You will work with our technical team and gain practical hands-on experience in managing cloud environments, automating development and deployment processes, and implementing reliable, scalable, and secure infrastructure for real-world business applications.

We look forward to your contribution and wish you a successful and productive learning experience with DigitalSofts.

Sincerely,

CTO
